

# Brixhibition @ STM

WHO: All students!

WHAT: Lego Competition

WHEN: Friday 20<sup>th</sup> March (classes to visit and vote during class time, winners announced in assembly that afternoon)

WHERE: Piazza Area (bring entries to Grade 3/4 Art Area)

WHY: The best Lego creations from each of the three age groups (Prep-2, 3/4, and 5/6) are awarded a Winner's Medallion. These winners are decided by student vote. An overall winner is decided by the greatest number of votes and that student is chosen to represent STM in the Brixhibition Competition at Albert Hall the following month.

HOW: There are only four simple rules to follow...

- Lego display to be no larger than 52cm x 52cm x 52cm
- Each display must be an ORIGINAL or freelance design (NO KITS)
- Some adult help is allowed in construction (for younger students), but Lego needs to be child's own design and work

INTERESTED? Entry Forms can be collected from the front office. Lego entries to be brought to the 3/4 Art Area by 8:30am on or before Friday 20<sup>th</sup> March with the accompanying Entry Form attached.
