“ASD affects
approximately
**1 in every
100**
people”

Go Blue from April 2 to raise awareness and funds for individuals living with Autism Spectrum Disorder (ASD)

Autism is a complex lifelong developmental disability that affects a person's ability to communicate, interact with others and cope in everyday situations.

The cause of ASD is not fully understood, but structured early intervention, therapy and education delivered by professionals with expertise in ASD can make a significant difference.

April is
**Autism
Awareness
Month**
