

Learn about how you can buy now and pay later with zipPay

- To create your zipPay account, simply choose zipPay at checkout. Account limits available up to \$1,000*
- All you need is a social media account (we won't post to your account) and to confirm the details that you would normally enter when shopping online.
- Subject to approval, this process takes only seconds after which you can complete your purchase & pay as it suits you!
- Once you're approved for your zipPay shopping account, you can continue to reuse it as much as you like.

*To approved applicants only. You may be approved for a lower limit. \$5 monthly service fee applies. Pay balance by due date and the service fee is waived. No balance. No fee. See contract for details.
